

Textbook Reading Content - Chapter 3

- Intensive reading
 - * 3.1-pay attention to 3.1.2, which is important
 - * 3.2-master the mechanism of error-correcting and error-detecting, especially understand examples shown in this sub-chapter.
- Skimming Reading
 - * 3.3-only need to understand some terms in this sub-chapter.
- Intensive reading
 - * 3.4-the most important part, especially 3.4.1 and 3.4.2, pseudocodes can be skipped, but need to get hang of the main ideas of each sliding window protocol.
- Skip reading
 - * 3.5-just reading this sub-chapter roughly and know the meaning of terms shown.
