

- 1. Explanation of any special or additional features you added, if any.**
 - a. split pay feature(only works with only cash or card)
- 2. If your solution to this problem is incomplete, you may explain the status of your submission and describe any issues that kept you from completing the assignment..**
 - a. Completed (but is significantly different from Demo code)
- 3. Discuss the easy and challenging parts of the assignment. How did you overcome all or some of the challenges?**
 - a. The challenging part was the mostly debugging small hard to notice minor misspelled errors. Fixed the errors after slowly double checking and moving methods in wrong brackets or missing brackets.
 - b. Also, after the demo came out I noticed that my code was a lot different from the demo, and trying to correct some things caused more issues than expected. (decided to not change my code)
- 4. Did you learn anything that will help you perform better on future assignments?**
 - a. Learned about extend and easier methods to implement java code while debugging
