

A digital illustration with a dark blue background. On the left, a shield with a keyhole is visible. In the center, a stylized profile of a human head is shown, with a large, complex, circular mechanical eye on the right side. The background is filled with faint binary code (0s and 1s) and hexagonal patterns. At the bottom, a dark horizontal band contains the text 'AI AND PRIVACY' in a bold, stylized font.

AI AND PRIVACY

INDUSTRY 4.0

Features of AI

3 Types of Artificial Intelligence

Artificial Narrow Intelligence (ANI)

Stage-1

Machine Learning

- Specialises in one area and solves one problem

Siri

Alexa

Cortana

Artificial General Intelligence (AGI)

Stage-2

Machine Intelligence

- Refers to a computer that is as smart as a human across the board

Stage-3

Machine Consciousness

- An intellect that is much smarter than the best human brains in practically every field
